22 LEGAL STANDARDS

23 California Insurance Code section 1861.10 states in relevant part:

24 (a) Any person may initiate or intervene in any proceeding permitted or
25 established pursuant to this chapter, challenge any action of the
26 commissioner under this article and enforce any provision of the article.

27 (b) The commissioner or a court shall award reasonable advocacy and
28 witness fees and expenses to any person who demonstrates that (1) the
person represents the interests of consumers, and (2) that he or she has
made a substantial contribution to the adoption of an order, regulation or
decision by the Commissioner or a court.

CCR §2662.2 sets out the procedure by which intervenors are deemed eligible to seek
compensation:

(a) A person or group representing the interests of consumers may provide to
the Public Advisor a request for finding of eligibility to seek compensation.
The request shall be verified and may be verified by the intervenor's or
participant's attorney and shall be submitted, at any time, in conjunction with
an ongoing proceeding in which the individual or organization seeks to
intervene. The request shall comply with sections 2652.1-2652.4 of this
subchapter and shall include:

1
2 (1) a showing by the intervenor or participant that it represents the interests
3 of consumers, including a description of the previous work of the
4 intervenor or participant; and,

5
6 (2) in the case of groups representing the interests of consumers, the
7 request shall include the following as exhibits:

8 (A) a copy of the group's articles of incorporation, by-laws,
9 or (for groups not organized as corporations) other
10 organizational documents,

11 (B) if the group has members, the approximate number of
12 current members,

15 and/or the name and business address of the principals of
16 the group if it is not a corporation,

18 representative sample of newsletters and/or any other
19 publication issued by the intervenor in California during the
20 previous twelve (12) months,

22 (F) a statement as to whether or not the group has been
23 granted non-profit status under Internal Revenue Code
24 Section 501(c), and

25 (G) in order to allow a determination whether the group
26 actually does represent the interests of consumers, a listing,
27 by general category, of the group's funding sources for the
28 prior twenty-four (24) months and the approximate total
percentage of the group's annual budget from each funding
category. Each foundation, corporate, business, or
government grant shall be separately listed by name of
foundation, corporation, business, or government agency
and amount of grant. For each individual who contributed
at least five percent of the group's annual budget, the name
of the individual and the total amount of the annual
contribution shall be separately listed.

The Public Advisor may require additional information regarding the
request at any time, but not more than twice during any one calendar year
from a given Intervenor or participant.

CCR §2661.1 (j) defines representing the interests of consumers as follows:

Represents the Interests of Consumers” means that the intervenor
represents the interests of individual insurance consumer[s], or the
intervenor is a group organized for the purpose of consumer protection as

1 demonstrated by, but is not limited to, a history of representing consumers
2 in administrative, legislative or judicial proceedings.

3 A party which represents, in whole or in part, any entity regulated by the
4 Commissioner shall not be eligible for compensation. However, nothing in
5 this subsection shall be construed to prohibit any person from intervening
6 or participating if that person is not seeking compensation.

7 CCR §2662.2(b) and (c) set deadlines for CDI's review of requests for finding
8 of eligibility.

9 (b) Within 10 days of receipt of a request for finding of eligibility to
10 seek compensation, the Public Advisor shall review the request for
11 completeness. If the request includes all of the information required by
12 subdivision (a) above, it is complete. If the Public Advisor determines that
13 the request is not complete because it does not include all of the
14 information required by subdivision (a), notice stating the grounds for
15 incompleteness will be given to the person or group who submitted the
16 request within the 10 day period and the request will be rejected.

17 (c) The Commissioner shall rule on the request for a finding of
18 eligibility to seek compensation in writing not later than 15 days from the
19 receipt of a complete request.

20 **DETERMINATIONS**

21 CFC has complied with the requirements of CCR § 2662.2.

22 CFC represents the interests of consumers, and on these grounds, the
23 Commissioner hereby finds CFC eligible to seek compensation in CDI proceedings
24 pursuant to CIC §1861.10.

25 This Finding of Eligibility is effective June 22, 2016.

26 **ORDER**

28 of consumers' interests and for its participation in CDI proceedings pursuant to CIC §1861.10 for
a period not to exceed two years from June 22, 2016.

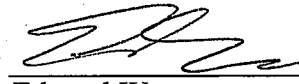

A finding of eligibility to seek compensation does not ensure compensation. CFC must
comply with all relevant provisions of the California Insurance Code and the California Code of
Regulations in order to participate and to submit requests and/or to receive compensation in
specific hearings or proceedings.
